

Save time & money with CABLCON “Pre-Terminated” DS3 Coaxial Cables for the DSX!

- FEATURES / TESTING**
- Assemblies are single-end terminated in right & left-hand configurations for clean & fast installation to the DSX.
 - Heat shrink tubing is installed but not shrunk down for best dressing in field by installer.
 - All assemblies are manufactured in an automated plant environment with over 23 years of experience.
 - Our assembly staff is Trompeter, Kings and ADC certified.
 - All **CABLCON** assemblies are 100% tested throughout the manufacturing process.
 - Documented test data including; Pin Height & Crimp Ferrule Measurements available with every cable.
 - Embossed ferrule for tracking purposes.
